Dear Parents

Parents'/Carers Consent to Take and Use Images of Pupils

It is currently Kirkby Thore's Policy to allow parents to take images of their children during school activities. In order to ensure the safety of the pupils we ask parents to read the key points below and complete the attached consent form.

- **Parents will be asked to sign an agreement that any images they take during school activities that include other children will not be put on the internet without the permission of the other child's/children's parent or carer.**
- Kirkby Thore School recognises that a balance between the low risk of misuse and the numerous positive results of colourful, well produced school materials is necessary.
- The school will only take and use images (photographs, videos and DVDs) that are appropriate and are considered to be safe from misuse.
- Children will be made aware of why their pictures are being taken and how they will be used.
- The school will take extra precautions to ensure that only appropriate images are used for the website.
- If an image of a child is used, the child's name **will not** be published. If a name is published, **no image will be used** without specific consent.

We can only allow you to take photographs in school if the consent form is completed and returned to the office.

Thank you

Christine Wilson
